Annual Parish Meeting 8pm 25th April, 2013

The Annual Parish Meeting was held at PVH. We were delighted to have Peter Shields, Assistant Road Safety Manager, Cheshire Fire & Rescue Service and PCSO Lindsey Whitehead as our speakers, both delivered very interesting and informative presentations. Annual reports by our Parish Councillors were also received. Printed copies of report from local organisations were available and will be posted on the website. The evening

went very well despite the poor turnout, only 4 residents attended this year. We will be looking for constructive ideas on how to make this annual meeting more attractive to the community. If you have any ideas please send them to the Parish Clerk or come and talk to us at the next PC meeting in the public forum.

HS2 - High Speed Rail

Plumley village is vulnerable; although the line of the preferred route bypasses the village the engineering options show an alternative route that passes along the western side of the village, crossing Plumley Moor Road at Henshaw Green Farm. Any geological problems that affect the line of the preferred route, and there are many possible problems throughout Cheshire and especially within our locality, could see the line of the route moved closer to the village.

We need to fight this proposal.

A number of residents, from various communities in Cheshire, have set up an action group (Mid Cheshire Against HS2), do we need it, do we want it, what is the business case for it, how will it affect the environment? These and many other questions have yet to be satisfactorily answered.

If you are concerned or wish to help contact the above group at hs2lisettebelow@yahoo.co.uk or contact Chris Wilson at ascol@btinternet.com

We also need to ensure that, if the proposal goes ahead, compensation is equitable and fair; please have your say, the consultation closes at 5pm on **May 20, 2013**.

Plumley's BIG Weekender!

Our *BIG* weekend will start with our Annual Fun Day on Saturday 29th June. The day will start with a procession through the village starting on Moorcroft at 12pm, followed by the crowning of our 2013 Queen Miss Millie Chadwick and Fun Day Opening by Mr Charlie Lawson (aka Jim McDonald-Coronation Street).

This year we are looking for donations for our Tombola ONLY. We have taken the decision not to offer a book stall or a bric-a-brac stall this year. We are sure local charity shops would value your donations of books and/or bric-a-brac should you have any. Tombola donations can be taken to Plumley Village Hall on Friday 28th June after 4pm.

We are very excited this year to introduce 'The *BIG* Plumley Bake Off!'. If you're a keen baker why not enter your cake, pie or pastry into our new competition! All entries must be placed on the judging table at the hall by 12pm on Saturday 29th June. Up to 2 entries per person please, ALL items should be clearly labelled with your

name and category. There will be 2 categories, Adults & Children.

The day will also offer a Craft Fair, Farmer's Market, Bar, BBQ, Café, Crazy Golf, Bouncy Castles & lots more fun for the whole family! Including Guest stars *POPET & KATSUMA* from the Moshi Monsters!

To top off our *BIG* weekend, we have managed to book the north's favourite folk band, as seen on TV **THE HOUGHTON WEAVERS** to play **LIVE at the Village Hall on Sunday 30th June at 7pm!**

Tickets are available at £10 per Adult, from Sarah 07554 344420 and are selling *FAST!* Children are welcome to this event and are free of charge! We will also have a Bar & BBQ available.

Fingers crossed for a lovely sunny weekend! We hope to see you all there!

May - May is named after the Greek goddess, Maia.

"A wet May makes a big load of hay. A cold May is kindly and fills the barn finely"

The tallest maypole is said to have been erected in London on the Strand in 1661; it stood over 143 feet high. It was felled in 1717, when it was used by Isaac Newton to support Huygen's new reflecting telescope.

"Mist in May, heat in June, makes the harvest come right soon"

May 5th 1930 - Any Johnson was the first woman to fly solo from England to Australia

29th May 1953 - Edmund Hillary and Tenzing Norgay reached the summit of Everest

In years gone by girls would make a special point of washing their faces in the dew of the early morning. They believed this made them very beautiful for the following year!

Local lads who gave their lives during The Great War

With the centenary of the Great War fast approaching I feel it only right to highlight a local lad who gave his life during that awful conflict.

George Whittaker, born 1888, an unmarried schoolteacher who joined the 6th Batt Manchester's and was sent to Gallipoli. He was a prolific letter writer and a picture of him can be found in the Knutsford Guardian.

The thatched cottage he left in 1915 still stands in Nether Tabley.

His parents were told he was missing in action on the 15th June 1915 attacking at Krithia but it wasn't until Jan 1916 John and Mary Whittaker were informed that he had been killed on that day; his body discovered by another regiment and had been buried where he fell – his grave long since lost. The letter they received stated that his effects were in too poor a condition to be returned.

He is remembered on The Hellas Memorial, Gallipoli together with 21,000 Empire other soldiers.

Tony Davies, Author – The Tabley Lads Who Never Came Home.

In Review

The Other Theatre Company's production of Quartet, at PVH in April, was a brave choice by director Sophia Kennedy considering the recent film release. TOTC gave us the original play, nominated for an Olivier award in 2000, with four characters whilst the film had a much larger cast.

The play is set in a home for retired opera singers and we meet Wilf (Roger Barlow) who is chiefly pre-occupied with sex, which is clearly wishful thinking, Cissie (Margaret Leslie) who is slightly batty and has a fixation that everyone has recently arrived from Karachi and Reggie (Harry Kennedy) whose philosophy on life is that 'Art is meaningless if it does not make you feel'.

The tenor of their days is shattered by the arrival of Jean (Rebecca Taylor) who is simply distraught at having to be in a home at all, but particularly one which has 'chorus singers and orchestral players in abundance but few virtuosos'. We also learn that Jean was once married to Reggie; although she has been married several times since to a list of artists known to them all. Reggie's distress at Jean's arrival is typified by his comment that 'old age helps you forget that which should be forgotten'.

Essentially, the play is a hymn to human frailty. The characters think of themselves as an exclusive club and each finds it difficult to accept that their talents have largely deserted them. They believe themselves to be trapped in the home but in reality they are trapped by their own senility with only the annual concert to celebrate Giuseppe Verdi's birthday to set them free.

During Act II, Reggie, Wilf and Cissie try to persuade Jean to make up a foursome to sing the 'Quartet' from Rigoletto on 10 October, Verdi's birthday. They believe that this will provide a purpose to their lives which will help them face the future. Jean displays great distress and finally owns up to the fact that she hasn't sung for thirty years and what's worse, the last time she attempted to sing no notes came out!

So they decide to do the unthinkable and the play ends with a virtuoso performance of the Quartet from Rigoletto – yes really!

Most of the play was performed in the round but the use of the stage for the operatic performance provided an excellent finale. The characters were well cast and portrayed their human frailties sympathetically. The poignancy of people who had once been famous but who had aged so quickly they didn't have time to change was evident throughout the performance. Inspired direction from Sophia Kennedy!

Quartet was another excellent production by TOTC which is to be congratulated on the diversity of works which make up its distinguished repertoire.

At One with Nature

As it seems that Spring has finally sprung, we take a look at what we should be doing to support our Cheshire wildlife and get our gardens to grow.

Now is a fantastic time to lay turf or sew grass before the warmer weather – this will give it a chance to settle and root whilst taking advantage of those April-May showers! Daffodils have adorned our Plumley borders of late, and their foliage should be left in tact until at least 6 weeks after they finish flowering before pruning back for next year. Potatoes, shallots and onions can all be planted.

Unfortunately, the extensive winter may have had adverse effects on some of our local wildlife. It has been reported that hedgehogs may be suffering from a lack of food on awaking from hibernation, so placing a small dish of dog or cat food (although no fish varieties) alongside some water will encourage them into your garden and help give them a boost for the Spring season.

Affordable Housing Update

Peaks & Plains Housing Trust are developing 8 affordable homes on Truthall Lane in Plumley, construction work is now well underway with foundation, slab and brickwork taking place during April. M.C.I development Ltd (the Contractors working on the site) intend to complete the development during Autumn, however this target is dependent on weather.

Peaks & Plains plan to hold a housing surgery event during the Summer to provide local people with information on how to apply for the housing available, the event will be advertised locally and invitations will be sent to all those who have previously registered interest in the development.

We're also delighted to have been invited by the Parish Council to Plumley Village Fete at which we will host a stand to promote awareness of Peaks & Plains and the many services we can offer to the local community.

Speed Enforcement	Plumley Methodist Church	Plumley Women's Institute
<p>PCSO Lindsey Whitehead arranged for the Police Traffic Department to do some speed enforcement along the 30 mph section of Plumley Moor Road during the last week in March. <p>Curzon Culture at Cut Price!</p> <p>Last month, local residents won the battle to dissuade Knutsford's Curzon cinema from its controversial proposal to increase ticket prices to almost £10 each at peak times. Following significant written complaints to the Knutsford Guardian (including from several Plumley residents!), Curzon has now reversed on this decision. Ticket prices will still be raised from April onwards to a rate of £8.50 (at peak times), but this remains significantly lower than the £9.75 initially proposed.</p> <p>It is a positive move on Curzon's behalf, to be seen to listen to and respond to its audience. In April, Curzon also received public praise for screening a children's film in response to facebook requests. Both instances certainly set the tone for Curzon to become an integrated and welcomed new business as part of the key cultural Knutsford landscape. Sarah Kym McLoughlin, Holly Cottage</p>	<p>Community Pride</p> <p>Judging for the Community Pride (<i>or Best Kept Village</i>) competition will begin very soon. We don't know when the judges will actually be in Plumley, so we need to keep everywhere at its best.</p> <p>Work at the station has moved on with most of the new planting completed. The grass in front of the M/C platform has now been levelled and wild flowers will be sown there soon. I hope that we may get the best overall station award this year and possibly a "Little Jem" prize in the VP section as well.</p> <p>We completed a litter collection up Plumley Moor Road last week from the lights to the stables. The bench in front of the stores is being restored and we will clean road signs and tidy up where we can. But this is our village and everyone needs to take part if we are to keep it clean and tidy.</p> <p>I have stopped twice on the main road to pick up litter since the collection last week, and there is more there again now. We need to be careful on the road, but many of us can do this simple job rather than driving by and leaving it to someone else.</p> <p>We all want to live in a delightful and clean village and it would be great to have it recognised as such in the VP competition. So please can I ask that we all do what we can to keep our Parish looking lovely this summer.</p> <p>If you would like to get more actively involved, then please give me a call or drop me an email at Anthony.gabbott@btinternet.com.</p>	<p>Plumley Village Hall</p> <p>Since this will be the last issue of the newsletter before our Annual Fun Day on Saturday 29th June we would like to make residents aware of road closures that will take place on the day for our Procession which will leave at 12pm prompt.
