

Plumley Village Newsletter

Including Toft and Bexton

Produced by Plumley with Toft and Bexton Parish Council

CORONAVIRUS (COVID 19)

“Staying apart but helping each other”

First of all, our thanks to all of those who have volunteered to offer their time to the **VOLUNTEER SUPPORT GROUP** which we have established to put those offering support in touch with those who need some help. If there are others who also wish to offer their support, or if you need help and support, please do get in touch with us. Contact details are at the end of this Newsletter.

This Newsletter gives the details we have of ways to **SHOP** in addition to a trip to a supermarket. We understand that the local shops and businesses we list here do deliver. You will need to check with them as some make charges for smaller deliveries.

Online Grocery Delivery

Cheshire Community Action have set up several accounts with Morrisons and Tesco for on-line delivery using their bank details and they will then ask the older person to send them a cheque to cover the shopping - they have found that for a lot of more vulnerable clients they do not want to enter their bank details on-line. Older people can be registered onto their scheme using an on-line form at www.healthylivingconsortium.net or you can phone them.
