## COVID ROADMAP—Handy Reminder

### Step 1, 8th March

All children and students will return to face to face education in schools and college. By this point, everyone in the top four vaccine priority cohorts – as determined by the independent JCVI – will have received the first dose of their vaccine and developed the necessary protection from it. Also from this date: Wraparound childcare and other supervised children's activities can resume where they enable parents to work, seek work, attend education, seek medical care or attend a support group. Care home residents will be allowed one regular visitor provided they are tested and wear PPE. The Stay at Home requirement will remain, but people can leave home for recreation outdoors such as a coffee or picnic with their household or support bubble, or with one person outside their household. Some university students on practical courses will be able to return to face to face learning.

**There will be further limited changes from 29 March**, the week in which most schools will break up for Easter. Outdoor gatherings of either 6 people or 2 households will be allowed, providing greater flexibility for families to see each other. This includes in private gardens. Outdoor sports facilities, such as tennis and basketball courts, will be allowed to reopen, and people can take part in formally organised outdoor sports. At this point, the Stay at Home order will end, although many lockdown restrictions will remain. For example, you should continue to work from home where possible, and overseas travel remains banned, aside for a small number of reasons.:

### Step 2, no earlier than 12 April:

Non-essential retail, personal care premises, such as hairdressers and nail salons, and public buildings, such as libraries and community centres, will reopen. Most outdoor attractions and settings, including zoos, and theme parks, will also reopen although wider social contact rules will apply in these settings to prevent indoor mixing between different households. Drive-in cinemas and drive-in performances will also be permitted. Indoor leisure facilities, such as gyms and swimming pools, will also reopen - but only for use by people on their own or with their household. Hospitality venues can serve people outdoors only. There will be no need for customers to order a substantial meal with alcohol, and no curfew - although customers must order, eat and drink while seated. Self-contained accommodation, such as holiday lets, where indoor facilities are not shared with other households, can also reopen. Funerals can continue with up to 30 people, and the numbers able to attend weddings, receptions and commemorative events such as wakes will rise to 15 (from 6).

**COVID ROADMAP**

**Step 3, no earlier than 17 May:**

Outdoors, most social contact rules will be lifted - although gatherings of over 30 people will remain illegal.

Outdoor performances such as outdoor cinemas, outdoor theatres and outdoor cinemas can reopen..

Indoors, the rule of 6 or 2 households will apply - although we will keep under review whether it is safe to increase this.

Indoor hospitality, entertainment venues such as cinemas and soft play areas, the rest of the accommodation sector, and indoor adult group sports and exercise classes will also reopen.

Larger performances and sporting events in indoor venues with a capacity of 1,000 people or half-full (whichever is lower) will also be allowed, as will those in outdoor venues with a capacity of 4000 people or half-full (whichever is lower).

In the largest outdoor seated venues where crowds can spread out, up to 10,000 people will be able to attend (or a quarter-full, whichever is lower).

Up to 30 people will be able to attend weddings, receptions and wakes, as well as funerals. Other life events that will be permitted include bar mitzvahs and christenings.

**Step 4, no earlier than 21 June:**

It is hoped all legal limits on social contact can be removed.

We hope to reopen nightclubs, and lift restrictions on large events and performances that apply in Step 3.

This will also guide decisions on whether all limits can be removed on weddings and other life events.

In the meantime, the vaccination programme continues at pace, with the announcement of a new target to offer a first dose of the vaccine to every adult by the end of July.

The government hopes that the increased protection offered by vaccines will gradually replace the restrictions,

**National Farmers Union Message (NFU):**

**Please stick to the countryside footpaths.**

Over the last 10 months, access to the countryside has become so important for everyone, especially its positive contribution to health and mental wellbeing.

While most people respect the farmed landscape and follow the Countryside Code, increased countryside visits have caused issues for farmers, particularly combined with the recent wet weather.

The ask from our Cheshire farmers is “It’s great everyone is enjoying the great British farmed landscape but please keep to the footpath and avoid unintentionally widening them or diverting off route wherever possible as this causes damage to field soils & crops”.

See Countryside Online for advice and guidance.

## Village Hall News

We have everything crossed for being able to re-open the village hall soon in line with the government's roadmap. The tennis courts will be open from 29th March & have recently been moss treated for the season. All being well we expect to be able to open the hall to groups under Covid restrictions (limited numbers, social distancing, facemasks etc) on 17th May & on 21st June we hope that all restrictions will be lifted....watch this space, the end is in sight!

You might be interested to know that we have been approached by Manchester Airport with a view to their locating a noise monitoring unit in the hall's grounds. Basically this is just a metal pole with a microphone on the top pointing up to the sky & recording the decibels emitted by passing planes. I'm sure that all of us under the flight path agree that monitoring will be a good idea once the holiday traffic returns.

**Stay safe, & we hope to see you soon.**

**2020 was a strange year with lots of confusion, fear and pain—below are organisations that are here to help**

## Support from the Samaritans

Samaritans are still there for people who may want to talk confidentially through a problem with someone they don't know – who will listen without judgement – and try and help them see an answer, or at least know that they are not alone.

The pandemic has affected people in many different ways but hopefully 2021 is going to be a year of change, positivity and hope!

## Domestic Abuse

If you worried about staying at home with your partner or a family member? Do you feel unsafe in your home because of someone's behaviour? Help is available.

The Government has said that victims of domestic abuse can still leave their homes for their own safety, and that the refuges will remain open. **Local help is available.**

To access the Cheshire East Domestic Abuse Hub (CEDAH):

**New Support for the COVID-19 Crisis**

The charity Refuge has created some safety advice for people staying at home due to COVID-19 who may have an abusive relative which you can find on the Refuge website. You can also call Refuge on 0808-2000247.

## Knutsford Citizens Advice

You may not be aware that the Parish Council contributes towards the costs of the Knutsford **Citizens Advice Service**. Although they have suspended face-to-face advice services at all sites for the foreseeable future, they are still open and delivering information and advice in other ways, with staff home working to give service from 9am to 5pm Monday to Friday;

**Telephone call-backs can be requested by leaving a message on 01625-708608.**
