28.4.21	20’s plenty		To be discussed 5.5.21 20s Plenty for Cheshire East

			<p>A petition set up by 20splenty for Cheshire East has hit 1400 signatures and is still rising fast. Speeding on residential streets remains one of the most common complaints made to councillors. Many people are too scared to walk or cycle or to let their children do so. 20mph limits bring fewer and less severe accidents, reduced emissions, less congestion and noise, healthier lifestyles, better community life and a stronger economy. We want Cheshire East to be a caring community, where the needs of residents come first. 20mph limits improve the quality of life, helping to create spaces where walking, cycling, conversations and playing are prioritised over traffic. There are already 20 million people in the UK living in local authorities with 20mph default speed limits in residential areas; including Cheshire West and Warrington, and the whole of Wales. So why not Cheshire East? If all our parish and town councils express their support for 20mph limits then Cheshire East would be forced to listen and take action.</p> <p>For more details contact David Mayers cheshireeast@20splentyforus.org.uk Tel 07963 802659. Or refer to the national campaign website https://www.20splenty.org/</p> <p>New</p>
