Including Toft and Bexton December 2023  
Welcome to the latest edition of the Newsletter.

### Plumley Parish Council

I was looking back over previous Christmas messages and greetings I have made on behalf of the PC. At Christmas 2016, I wrote -  
“The words of some of the traditional carols seem very poignant. Phrases like “Peace on earth and good will to all men” and “Hush the strife ye men of war and hear the angels sing” are sung with ease and familiarity. Yet our troubled world sometimes seems completely at odds with the message of Christmas. Often it is not an easy thing to reconcile it to what we see around us. But that doesn’t mean we can’t still hope that the peace which is part of the spirit of Christmas will one day be seen in to-days troubled lands.”

Seven years later, it seems that nothing has changed. Even the birth place of Christ itself is now witness to a desperate war and bloodshed, as are many other parts of our world. In the west we are sheltered from the horrors of daily life which many others endure. But even here, the cost-of-living crisis has left many people wondering how they will be able to eat or heat their homes in the winter to come. So, as we look forward to another Christmas, perhaps we can also do something to support those at home or overseas who will not be able to celebrate as we are. Something as simple as a donation to a local food bank can make a huge difference.

I still love to sing the carols that tell of the hope and joy Christ came into the world to bring us. Despite the pain and problems we see around us, that is still something to celebrate.

I therefore take great pleasure in once again, on behalf of the Parish Council, being able to wish you a very Merry Christmas and a peaceful 2024.

**Tony Gabbott Chairman Plumley Toft and Bexton Parish Council**

### PLUMLEY VILLAGE HALL

“As another year draws to a close may I take this opportunity on behalf of everyone at the village hall to wish you all a very Happy Christmas & a peaceful and prosperous 2024.

Many varied groups & clubs meet at the village hall so why don't you make it your New Year's resolution to go along and meet some new friends. A list of all the groups will be on the village hall notice board by our front gate in January.

## Council updates

**PLUMLEY Parish Council** has previously reported they have gained support from the Police and Crime Commissioners Office and local residents for the introduction of **AVERAGE SPEED CAMERAS** on Plumley Moor Road from the Church, leading up to and across the station bridge. The funding is in place and the necessary borrowing approved by the Public Works Loan Board. We have been advised that the police are still in discussions with Cheshire East and the power supply provider and Cheshire East Highways with regards to temporary road closures for when the cameras are to be installed. The police still cannot give us a definitive start date but continue to say our scheme is now guaranteed and will take place as soon as these matters have been resolved.

**CHESHIRE EAST COUNCIL GREEN WASTE SUBSCRIPTION SERVICE** By subscribing, residents may choose to continue using their garden bin to recycle food waste. Subscriptions cost £56 per garden bin, per year, with a 25% reduction in the fee available for those receiving qualifying benefits. Once subscribed, residents will be sent a welcome pack containing their subscription sticker, which will have their address and unique subscription number on it. Residents are urged to attach the sticker to the back of their garden bin (handle side) as soon as they receive it as garden bins without a valid sticker displaying will not be emptied. Residents will only pay for the Garden Waste Recycling Scheme if they choose to opt-in and it remains free for residents to dispose of their garden waste at the borough's household waste recycling centres.

The council also continues to encourage residents to try composting at home.

Residents not able to sign up online can contact the council on 0300 123 5011.

**Cheshire East Council are undertaking a** public consultation on achieving the budget savings proposals under the MTFS 90 Strategic Leisure Review. The outcome will potentially impact on the provision of leisure facilities such as Knutsford Leisure Centre, the consultation will close on the 7th January 2024 the link to the survey is below **PLEASE MAKE YOUR OPINION KNOWN**

### **HIGHWAYS RESPONSIBILITIES**

The Parish Council are quite often contacted by residents about Highways issues which include the condition of the roads, pavements, lighting and signage. It is relatively simple to report any of these issues directly through to Cheshire East Council. This can be done via their website where you can report any of those issues by going onto the Cheshire East Website and search for Fixmystreet. Although we can lobby CE on behalf of our residents concerns, as a Parish Council we have no ability to alter the decisions CE make in these areas.

Cheshire East Council are also responsible for setting the speed limits on all roads which they do by following national guidelines. These are quite often challenged by local residents and as a Parish Council we have represented those concerns especially on Middlewich Road and Plumley Moor Road. At the request of the Parish Council, Cheshire East agreed to undertake a route review approximately 7 years ago which included the aforementioned roads. The outcome was not as we wanted as it stated that the speed limits followed national guidelines and would not be changed.

## Plumley Women's Institute

### NOT ALL JAM & JERUSALEM!

Yes sometimes jam making and sometimes Jerusalem on special occasions.  
BUT There are many reasons ladies join the W I movement, they include;

**Meeting new people;** membership offers the opportunity to meet women in your local area in-person and virtually, to make friends and make a difference in your community.

**Education;** themes such as food, gardening, craft, sport, science and the arts

**Campaigning;** the WI campaigns address issues that matter to members, from equal pay to climate change and mental health to microplastic pollution.

**Holidays;** the freedom of travelling solo but not alone!

Plumley W I membership offers much more than a monthly meeting, a recent craft group meeting attended by 15 ladies and similar number walked in Tatton Park . If you would like to find out more come along as a visitor to one of the meetings which are held at Plumley Village Hall at 7.30pm on the 1st Thursday monthly.

## Butterflies Tots Group

"Plumley Tots Group has been running for many years in Plumley Village Hall and is now starting a new chapter as 'Butterflies Tots Group'. Over the last few years local mums have admirably kept the group running through the difficult times of COVID, but now with their children growing up, they're ready to hand over the mantle. Fr Murray Aldridge-Collins of St Oswald's Church, Lower Peover, is delighted to bring the group under the wing of the parish and members of the church will be volunteering to help run the group and provide some lovely refreshments for the parents, grandparents and carers who come along. There are many opportunities to volunteer, including making teas and coffees, helping with crafts and singing and much more. For those who can't help on a Tuesday morning but would like to be involved, our 'baking rota' is a great opportunity for this. Butterflies will run every Tuesday during term time. If you would like to put your child's name down for a place then please contact myself, Rosie on 07916129153. Fee's are £2.50 per week, plus an extra 50p per sibling. These are usually paid on a half termly basis. If fees are an issue for anyone in our current cost of living crisis then please don't hesitate to mention this confidentially. If you are interested in volunteering or would like to know any more information about the group, please get in touch. We'd love to hear from you!"

## Knutsford and District Talking Newspaper

### Do you know someone who would like to have a weekly recording of the Knutsford Guardian?

We are a voluntary group who want to bring the local news to our blind and visually impaired residents by recording articles from the local newspaper The Knutsford Guardian. We cover all local villages.

We try to improve things for visually impaired people in the district, so that they can keep up to date with local news. We are also happy to send the recordings to residents who may have difficulty holding a newspaper or struggle to process when reading print (maybe as a result of a stroke or other neurological / physical disability)

We record the news and articles each week and then copy the recording onto a memory stick and post it out weekly to our listeners. This is a completely free service and all listeners also receive a USB Player specifically designed for the visually impaired, free of charge.

Our weekly recordings are also available for free on the Talking Newspaper App (Android & iOS) or via Devices such as Amazon Alexa or Amazon Echo. If you know of anyone who may benefit as a listener or if you would be interested in volunteering and need any further information, please contact

Mrs Frances McGhee ( Secretary) on 07814 564858 or Email : [fmclella@yahoo.com](mailto:fmclella@yahoo.com)

## Knutsford and Plumley Probus Club

Knutsford and Plumley Probus Club has spent the summer hosting a wide variety of speakers, all very interesting, and also participating in several social events. We had a talk from George Pilkington on "The Birds and the Bees" (to which our ladies were invited) which was, literally, about birds and bees and their amorous activities. We then had a doom-laden talk from Keith Stevens on "The Population Bomb – waiting to explode". The end of the world will not so much be due to a population explosion but rather a combination of increased longevity and declining male and female fertility, leading to an unsustainable ratio of old to young people. Stephen Shakeshaft gave us another of his "Chester Uncovered" talks while Keith Warrender spoke on the "Hidden Gems of Manchester", a fascinating insight into the history of odd but lesser known buildings in Greater Manchester and Cheshire.

Tony Bostock spoke about "Cheshire's Ancient Mariner", Sir George Beeston, who had a distinguished career in the Royal Navy, was MP for Cheshire, died in 1601 and is buried at Bunbury Church. He captained HMS Dreadnought against the Armada but is less well-known than many of his contemporaries. George Scargill spoke on "Lucky Hitler" and described a few of the many attempts on Hitler's life. Ian Morison spoke on "Black Holes – no need to be afraid" and, as usual, gave us a fascinating talk. Most recently, we've had David Simmons talking about "Capt. Eric 'Winkle' Brown- Britain's Greatest Pilot". Amazingly, he flew 487 different aircraft and made 2407 carrier landings. Post-war, he worked on jet plane development and then helicopters. He commanded RAF Lossiemouth and appeared on Desert Island Discs in 2014 before dying at the grand old age of 97. At our latest meeting, Isabelle Killicoat talked about the paintings in the Manchester Art Gallery.

Regrettably, we lost one of our long-standing, well-liked and respected members, Laurie Fairman in October but, on the brighter side, we have had three social events – a Ladies' Lunch, a trip to the Avro aircraft museum and an entertaining evening with David Somerville talking about his work with the National Crime Agency following his retirement from the army. We continue to welcome new members

## New to Plumley Village Hall—Yogalates

Plumley Village Hall will be hosting a combination of yoga and Pilates, the classes are every Wednesday morning 9am-10am and all you need to bring is yourself as I have all the equipment you will need,

Why Yogalates, you may ask? Well, let me share some benefits with you. First off, it's fantastic for improving flexibility and building strength – not just in the muscles, but also in the core. It boosts metabolism, raises energy levels and improves posture, a crucial element often overlooked in many other fitness routines. Breathwork and mindfulness are an integral part of each class, wonderful for promoting a sense of calm and wellbeing.

The best part is that it's for everyone! All abilities are welcome. Whether you're a seasoned yogi or just starting your fitness journey, I adapt postures and difficulty levels to suit your needs. Every session is crafted to be inclusive and, most importantly, enjoyable. I do my best to ensure that each person gets the absolute best from their hour on the mat and leave the sessions feeling good.

All my classes are friendly, fun and definitely not competitive. It's a great way to start the day and meet new people in the community.
